

EFR's Identity Theft Assistance Services

Regain control. Secure your information.

Figuring out the next step after an identity theft can feel daunting—EFR is here to help! Our EAP offers Identity Theft Assistance. We'll connect you with certified professionals who can help restore your identity and safeguard your personal information.

How We Help:

Timely Support: Get expert guidance from fraud resolution specialists and licensed attorneys to navigate the process quickly and effectively.

Preventative Measures: Set up fraud alerts and credit monitoring to protect against further threats.

Legal Assistance: Access legal advice to communicate with creditors and resolve issues related to identity theft.

Take the First Step: Restoring your identity starts with reaching out.

EFR is here to help you take back control and protect what matters.
